We have gone over 4 months with NO additional cases of COVID-19 in residents of Lakeview Village. On the staffing front, we have not had any new positive cases for over 2 months.

Lakeview continues to be one of the few senior living providers in the nation receiving the COVID-19 vaccine directly. We now have access to all 3 approved vaccines (Pfizer, Moderna and Johnson & Johnson). Please contact our COVID-19 Vaccination Hotline at 913-951-3879 for more information and to get signed up. Lakeview will be hosting COVID-19 vaccination clinics weekly for the foreseeable future. Please inform everyone you know over the age of 12 about the availability of the COVID-19 vaccine here on our campus.
